Charing, Cross,

July 17

Dear Sir

In consequence of an information I received  
from Mr Lee of your intention to Leave England  
I came to town last Tuesday I called in Suffolk  
Street to spend an hour or two as perhaps the Last  
I should Ever enjoy in your Company but the  
Mistakes when told you were just gone but  
I had time called again but they did not know  
when you should return indeed I am sorry  
as I make no doubt use all who have the  
Honour of being known to Mr G. but sincerely  
Wish it may be of Great Benefit to you I  
Should have been very happy to have taken a  
Farewell personally but as it is impossible  
For me to Come to town before your Go  
hope if you have so much time to spare  
to see you at Iford there is a Conveyance  
From the Pall Mall in White Chappell Every  
Morning at 11 o Clock to the Angel at  
Iford at which place if you do not take to

Come to the house you can send for me

If Sir I should not have the Happiness  
of seeing you with Esteem it a Great Favour  
if you have any trifling things such as you  
may not think worth your taking with you  
to give me to add to my small Collections

If you do a Line letting me know when  
to send, Mr Berney or some friend shall call  
for them should have told you that it is  
but 7 miles to Telford, my dear many thanks  
to Very Well as is Mr B and self & the Wives  
we joins in wishing you Health and Prosperity  
and a safe Return and

Remain your  
Ever Well Wisher
