

# INDEX.

---

(Roman numerals refer to the Proceedings ; Arabic numerals to the Transactions.)

---

	PAGE.
Act to incorporate the N. S. Institute of Science .....	v
Address, presidential. <i>See</i> Presidential address.	
Akins, Thomas Beamish, <i>D. C. L.</i> , Obituary notice of .....	xxxii
Ami, Henry M., <i>D. Sc.</i> —Catalogue of silurian fossils from Arisaig, N. S.	185
Silurian Fossils from Cape George, Antigonish Co., N. S., with descriptions of four new species .....	411
Analyses of Nova Scotia coals and other minerals. By E. Gilpin, jr., LL.D.	19
Arisaig, N. S., Catalogue of Silurian fossils from. By H. M. Ami, D. Sc.	185
Bailey, L. W., <i>Ph. D.</i> —Notes on surface geology of south-western Nova Scotia .....	1
Bay of Fundy. <i>See</i> Fundy, Bay of.	
Birds of Nova Scotia, Notes on. <i>Consult</i> Notes on Nova Scotian zoology, by H. Piers.	
Bliss, Donald M.—Coming development of artificial illumination .....	lviii
Botany. <i>See</i> Plants, and Flora.	
Brown, R. Balfour.—The Fletcher stone, and other inscribed stones in Yarmouth Co. ....	xxxvi
Letter on occurrence of paraffin, tallow and petroleum in Nova Scotia .....	vii
Building stone from Nova Scotia, Experiments on. By N. E. Cooper ....	vii
Building stone from Nova Scotia, Specific gravity and absorption of. By H. G. C. Ketchum .....	xi
Calorific value of fuels. <i>See</i> Fuels.	
Cameron, A.—Note on Venus,—morning star and evening star at the same time, Feb., 1894 .....	391
Venus in daylight to eye and opera-glass .....	344
Visibility of Venus to the naked eye ... ..	148
Campbell, Donald A., <i>M. D.</i> —General considerations concerning Bacteria, with notes on bacteriological analysis of water. (Title only).....	lxviii
Cape Breton, Geology of,—the lower silurian. By E. Gilpin, jr., LL.D. ....	167
Cape George. <i>See</i> George, Cape.	
Coal field, Note on the Sydney, C. B. By E. Gilpin, jr., LL.D. ....	435

	PAGE
Coal field, Pictou. By H. S. Poole .....	228
Coal mines, Explosions in Nova Scotian. By E. Gilpin, jr., LL.D.....	58
Coals, Analyses of Nova Scotian, and other minerals. By E. Gilpin, jr., LL.D.	19
Cobalt and nickel sulphates, Variation of density with concentration in weak aqueous solutions of. By A. M. Morrison....	132
Concretionary structure in various rock formations in Canada. By T. C. Weston.....	137
Connecting rod, Graphical treatment of the inertia of. By Prof. J. G. MacGregor.....	193
Cooper, N. E.—Experiments on building stone from Nova Scotia.....	vii
Cox, George H.—List of plants collected in and around town of Shel- burne, N. S.....	439
Cypress Hills, North-West Territory, notes on miocene tertiary rocks of. By T. C. Weston.....	223
Deep mining in Nova Scotia. By W. H. Prest.....	420
Destroyers of submerged wood in Nova Scotia, Supplementary note on. By M. Murphy, D. Sc.....	215
Doane, F. W. W.—Operation of Kennedy pipe scraper and cause of re- cent failure.....	445
Downs, Andrew, Obituary notice of.....	xlviii
Electrolytes, measurement of resistance of. By F. J. A. McKittrick .....	381
Ells, R. W., LL.D—Recent sedimentary formations on the Bay of Fundy coast .....	416
Exchange list, Institute of Science..... xv; additions, xlv, liv, lxix	
Explosions in Nova Scotia coal mines. By E. Gilpin, jr., LL.D.....	58
Explosive gas generated within hot-water pipes of house heating appara- tus. By A. H. MacKay, LL.D.....	374
Fertilizers on sandy soil. By H. W. Smith .....	122
Fletcher stone. By K. G. T. Webster .....	208
Fletcher stone, and other inscribed stones in Yarmouth Co. By R. B. Brown .....	xxxvi
Flora of Newfoundland, Labrador, and St. Pierre et Miquelon. [ <i>Ranun- culaceæ</i> to <i>Sapindaceæ</i> .] By Rev. A. C. Waghorne.....	359
Flora of Nova Scotia, Notes for a. [ <i>Ranunculaceæ</i> to <i>Anacardiaceæ</i> .] By Prof. G. Lawson.....	84
Flora. <i>See also</i> Plants.	
Forbes, John.—Remarks upon the coating of iron with magnetic oxide, and a suggestion of a probably new method of producing it.....	27
Some modern methods in manufacturing, with certain analogies sug- gested by a partial study of the evolution and nature of some of the processes employed. [Iron and steel.] .....	lx
Fossils, Silurian, from Cape George, N. S., with descriptions of four new species. By H. M. Ami, D. Sc.....	411
Fuels, Steam boiler tests as a means of determining the calorific value of. By D. W. Robb .....	9

	PAGE
Fundy coast, Bay of, Recent sedimentary formations on. By R. W. Ells, LL. D. ....	416
Gainsville, Florida, U. S. A., Shower of fibrous substance at. By Prof. G. Lawson. ....	456
Gas, Explosive, generated within hot-water pipes. By A. H. MacKay, LL. D.	374
Geological Survey maps of Nova Scotia, Resolution relative to scale of ...	x
George, Cape, Antigonish Co., N. S., Silurian fossils from. By H. M. Ami, D. Sc. ....	411
Gilpin, Edwin, jr., LL. D.—Analyses of Nova Scotia coals and other minerals. ....	19
Explosions in Nova Scotia coal mines. ....	58
Geology of Cape Breton—the lower silurian. ....	167
Nictaux iron ore field. (Title only). ....	lvii
Note on Sydney, C. B., coal field. ....	435
Gilpin, John Bernard, M. D., Obituary notice of. ....	xlvi
Gold districts, Nova Scotian, their geological formation as proved by borings in the Killag gold district. By H. S. McKay. ....	xxxix
Gold mining. See Prest, W. H., Deep mining in Nova Scotia.	
Granite rocks, Suggestion as to cause of difference of colour in. By Rev. M. Maury. ....	xliii
Graphical treatment of the inertia of the connecting rod. By Prof. J. G. MacGregor. ....	193
Illumination, Coming development of artificial. By D. M. Bliss. ....	lvii
Inertia of the connecting rod, Graphical treatment of. By Prof. J. G. MacGregor. ....	193
Institutions to which Proceedings and Transactions of the Institute have been sent. .... xv; additions, xlv, liv, lxix	
Iron, The coating of, with magnetic oxide, and a probably new method of producing it. By J. Forbes. ....	27
Iron and steel. See Forbes, J., Modern methods of manufacturing.	
Kennedy pipe scraper, Operation of, and cause of recent failure. By F. W. W. Doane. ....	445
Ketchum, H. G. C.—Specific gravity and absorption of building stone from Nova Scotia. ....	xi
Killag gold district, Nova Scotia gold districts, their geological formation, as proved by borings in. By H. S. McKay. ....	xxxix
Labrador, and St. Pierre et Miquelon, Flora of Newfoundland. By Rev. A. C. Waghorne. ....	359
Lawson, Prof. George.—Botanical and commercial history of Nova Scotia foxberries. (Title only). ....	lvii
Notice of new test for antipyrine. (Title only). ....	lxviii
Notes for a Flora of Nova Scotia, Part II. (Title only). ....	xxxv
Notes for a Flora of Nova Scotia. [ <i>Ranunculaceæ</i> to <i>Anacardiaceæ</i> ]	84
(a) Recent whaling expedition from Dundee; (b) On hybrid grafts. (Title only). ....	liii

	PAGE
Shower of fibrous substance at Gainsville, Florida, U.S.A.....	456
Some features of the Kentucky flora. (Title only).....	lvi
<i>Limnoria lignorum</i> . See Destroyers of submerged wood in Nova Scotia.	
McCulloch, Rev. Thomas, D. D. List of localities for trap minerals in Nova Scotia.....	160
MacGregor, Prof. James Gordon.—Definition of work done.....	460
Graphical treatment of the inertia of the connecting rod.....	193
Isothermal and adiabatic expansion of gases. (Title only).....	lvi
Lecture experiments illustrating properties of saline solutions ....	71
Presidential address, 1890.....	i
Presidential address, 1891.....	xxxii
Simple proof of the completeness of the differential, $dH/T$ , in ther- modynamics. (Title only).....	xi
MacKay, A. H., LL.D.—Explosive gas generated within hot water pipes of house heating apparatus.....	374
Natural history observations made by observers at several stations in Nova Scotia during 1892.....	278
Magdalene Islands.....	viii
Phenological observations made at several stations in Nova Scotia and New Brunswick during 1893.....	451
Pictou Island. [Geological].....	76
McKay, H. Squarebrigs.—Nova Scotia gold districts, their geological for- mation as proved by borings in the Killag gold district.....	xxxix
Mackenzie, William B.—Railroad location and construction in Eastern Canada.....	iii
McKittrick, F. J. A.—Measurement of resistance of electrolytes.....	381
Magdalene Islands. [Chiefly geological.] By A. H. MacKay, LL. D.....	viii
Magdalene Islands. By Rev. G. Patterson.....	31
Marshall, G. R.—Apparent shower of worms at Middleton, N. S.....	lvi
Maury, Rev. M.—Suggestion as to cause of difference of colour in granite rocks.....	xliii
Mc. See Mac.	
Members of N. S. Institute of Science, List of. (1891) xii, (admitted 1891-2) xlv, (admitted 1892-3) liv, (admitted 1893-4) lxix	
Mining, Deep, in Nova Scotia. By W. H. Prest.....	420
Miocene tertiary rocks of Cypress Hills, N. W. T., Notes on. By T. C. Weston.....	223
Morrison, A. M.—Variation of density with concentration in weak aqueous solutions of cobalt and nickel sulphates.....	132
Murphy, Martin, D. Sc.—Bridge sub-structures and foundations in Nova Scotia. (Title only.).....	liii
Crossing the Strait of Canso by a submarine tube. (Title only.)...	liii
Presidential address, 1892.....	xlvii
Supplementary note on destroyers of submerged wood in Nova Scotia. [ <i>Limnoria lignorum</i> and <i>Teredo navalis</i> .].....	215

	PAGE
Natural history observations made at several stations in Nova Scotia, 1892. Compiled by A. H. McKay, LL.D. ....	278
<i>See also</i> Phenological observations.	
Newfoundland, Labrador, and St. Pierre et Miquelon, Flora of By Rev. A. C. Waghorne. ....	359
Nickel and cobalt sulphates, Variation of density with concentration in weak aqueous solutions of. By A. M. Morrison. ....	132
Nidification of winter wren in Nova Scotia. By H. Piers. ....	203
Nova Scotia, Evidence of post-glacial extension of southern coast of. By W. H. Prest. ....	143
Nova Scotian Institute of Science, Act to incorporate. ....	v
Office-bearers, N. S. Inst. Science. .... (1890-1) vi, (1891-2) xxxv, (1892-3) lii, (1893-4) lv	
Paraffin tallow and petroleum in Nova Scotia, Letter on occurrence of. By R. B. Brown. ....	vii
Patterson, Rev. George, D. D.—The Magdalene Islands. ....	31
Petroleum and paraffin tallow in Nova Scotia, Letter on occurrence of. By R. B. Brown. ....	vii
Phenological observations made at several stations in Nova Scotia and New Brunswick during 1893. Compiled by A. H. MacKay, LL. D. ...	451
<i>See also</i> Natural history observations.	
Pictou coal field : a geological revision. By H. S. Poole. ....	228
Pictou Island. [Geological.] By A. H. McKay, LL. D. ....	76
Piers, Harry.—Nidification of winter wren ( <i>T. hiemalis</i> ) in Nova Scotia.	203
Notes on Nova Scotian zoology : no. 2. ....	175
Notes of Nova Scotian zoology : no. 3. ....	395
Plants collected in and around town of Shelburne, N. S. By G. H. Cox.	439
Plants. <i>See also</i> Flora.	
Poole, Henry S.—Pictou coal field : a geological revision. ....	228
Postal rates on natural history specimens, Memorial to government in regard to. ....	lvi
Post-glacial extension of southern coast of Nova Scotia, Evidence of. By W. H. Prest. ....	143
Presidential address, 1890. By Prof. J. G. MacGregor. ....	i
Presidential address, 1891. By Prof. J. G. MacGregor. ....	xxx i
Presidential address, 1892. By M. Murphy, D. Sc. ....	xlvii
Prest, W. H.—Deep mining in Nova Scotia. ....	420
Evidence of the post-glacial extension of the southern coast of Nova Scotia. ....	143
Railroad location and construction in Eastern Canada. By W. B. Mac- Kenzie. ....	111
Reid, Alexander P., M.D.—Poverty superceded, or a new political economy. (Title only.) . . . . .	x
Robb, D. W.—Steam boiler tests as a means of determining the calorific value of fuels. ....	3

	PAGE
St. George, Cape. <i>See</i> George, Cape.	
St. Pierre et Miquelon, Flora of Newfoundland, Labrador, and. By Rev. A. C. Waghorne .....	359
Saline solutions, On some lecture experiments illustrating properties of. By Prof. J. G. MacGregor.....	71
Scraper for water pipes. <i>See</i> Kennedy pipe scraper.	
Shelburne, N. S., Plants collected in and around town of. By G. H. Cox.	439
Sedimentary formations on Bay of Fundy coast. By R. W. Ells.....	416
Silurian fossils from Arisaig, N. S., Catalogue of. By H. M. Ami, D. Sc..	185
Silurian fossils from Cape George, N. S., with descriptions of four new species. By H. M. Ami, D. Sc.....	411
Smith, Prof. H. W.—Fertilizers on sandy soil.....	122
Smith, Percy J.—Additions to the flora of Truro, N. S. (Title only)....	lxviii
Somers, John, M.D.—Note on sponge from Herring Cove, N. S. (Title only)	lxviii
Notes on native forms of <i>Juniperus</i> , and <i>Lanius borealis</i> . (Title only)	lvi
Parasitic fungi affecting the apple and other Pomeæ. (Title only).	liii
Specific gravity and absorption of building stone from Nova Scotia. By H. G. C. Ketchum .....	xi
Steam boiler tests as a means of determining the calorific value of fuels. By D. W. Robb .....	9
Steel. <i>See</i> Forbes, J., Modern methods of manufacturing.	
Surface geology of south-western Nova Scotia, Notes on. By Prof. L. W. Bailey.....	1
Sydney, C. B., Note on coal field. By E. Gilpin, jr., LL.D.....	435
<i>Teredo navalis</i> . <i>See</i> Destroyers of submerged wood in Nova Scotia.	
Trap minerals in Nova Scotia, List of localities for. By Rev. T. McCulloch	160
<i>Troglodytes hiemalis</i> . <i>See</i> Winter wren.	
Venus in daylight to eye and opera-glass. By A. Cameron.....	344
Venus, Note on,—morning star and evening star at the same time, Feb., 1894. By A. Cameron.....	391
Venus, Visibility of, to the naked eye. By A. Cameron .....	148
Waghorne, Rev. Arthur C.—Flora of Newfoundland, Labrador, and St. Pierre et Miquelon. [ <i>Ranunculacæ</i> to <i>Sapindacæ</i> .].....	359
Webster, Kenneth G. T.—The Fletcher Stone.....	208
Weston, Thomas C.—Concretionary structure in various rock formations in Canada .....	137
Miocene tertiary rocks of the Cypress Hills, N. W. T., Notes on ....	223
Winter wren ( <i>T. hiemalis</i> ), Nidification of, in Nova Scotia. By H. Piers	203
Work done, On the definition of. By Prof. J. G. MacGregor .....	460
Worms, Apparent shown of, at Middleton, N. S. By G. R. Marshall.....	lvi
Wren. <i>See</i> Winter wren.	
Zoology, Notes on Nova Scotian : no. 2. By H. Piers .....	175
Zoology, Notes on Nova Scotian : no. 3. By H. Piers .....	395
