

NATALIE O. ROSEN, Ph.D., R. Psych

6320 ALLAN STREET • HALIFAX, NS, B3L 1G9 • (902) 429-7562 (home)

nrosen@dal.ca • (902) 494-4044 (office)

POSITION

- July 2012 - *Assistant Professor, Department of Psychology, Dalhousie University, Halifax, NS*
- Jan 2011 - *Assistant Professor, Department of Obstetrics & Gynaecology, IWK Health Centre, Halifax, NS*

EDUCATION

- 2009 – 2012 *Post-doctoral fellow, Department of Psychology, Université de Montréal, Montréal, QC*
Affiliate Member, Psychology Department, IWK Health Centre, Halifax, NS
- Post-doctoral research: Using a daily diary approach to examine spouse responses to pain-relevant behaviours in women with provoked vestibulodynia and their partners
 - Supervisor: Sophie Bergeron, Ph.D.
- 2003-2009 *Ph. D. in Clinical Psychology, McGill University, Montreal, QC*
- CPA/APA accredited pre-doctoral internship at the Queen Elizabeth II Health Sciences Centre, Halifax, NS
 - Dissertation: Psychosocial impact of state and trait differences in uncertainty: The case of HPV
 - Supervisor: Bärbel Knäuper, Ph.D.
- 1999-2003 *B.A. (honours) in Psychology, Queen's University, Kingston, ON*
- Thesis: Evaluating the psychometric properties of error-choice as an indirect attitude measure
 - Supervisor: Leandre Fabrigar, Ph.D.

AWARDS, DISTINCTIONS, AND FELLOWSHIPS

- 2011 *Clinical Prize Essay Award* – Awarded from the International Society for the Study of Women's Sexual Health (ISSWSH; \$500)
- 2010-2012 *Canadian Institutes of Health Research (CIHR) Bisby Prize* – awarded for ranking 1st in the CIHR post-doctoral fellowship competition (\$20,000/2 years)
- 2010-2012 *CIHR post-doctoral fellowship* (\$90,000/2 years)
- 2009-2010 *Fonds Québécois de Recherche sur la Société et la Culture (FQRSC) post-doctoral fellowship* (\$64,000/2 years, declined in Year 2)
- 2006-2008 *Psychosocial Oncology Research Training (PORT) Doctoral Fellowship* [PORT is funded by the CIHR and the Institute of Cancer Research] (\$20,000/2 years)
- 2005-2008 *FQRSC Doctoral Fellowship* (\$60,000/3 years)

2007	<i>Canadian Graduate Student Award in Human Sexuality – Best Student Paper (\$250)</i>
2007	<i>McGill Alma Mater Travel Award (\$750)</i>
2004-2005	<i>Psychosocial Oncology Research Training (PORT) Doctoral Fellowship (\$20,000/1year)</i>
2004	<i>Society for Personality and Social Psychology (SPSP) Student Travel Award (\$300 USD)</i>
2004	<i>McGill Alma Mater Travel Award (\$250)</i>
2003	<i>Ontario Graduate Scholarship (\$10,000, declined)</i>
2000-2003	<i>Queen’s University Dean’s List with Distinction</i>
2002	<i>Queen’s University Dean’s Special Award (\$325)</i>
2001	<i>Queen’s University Dean’s Special Award (\$650)</i>
1999	<i>Queen’s Opportunity Grant (\$2000)</i>
1999	<i>Ontario Academic Scholar</i>

RESEARCH EXPERIENCE

Research Grants

Oct. 2012- Sept 2013

Canadian Institutes of Health Research Operating Grant –Priority Area: Gender, Sex and Health Research. -Work & Health & Sexual Health, \$100,000.

Bergeron, S., **Rosen, N. O.** (co-PIs), Delisle, I., Mayrand, MH., McDuff, P., & Steban, M.

A comparison of cognitive-behavioral couple therapy and lidocaine in the treatment of provoked vestibulodynia: A randomized clinical trial.

2006-2007 Internal SSHRC Grant Program, McGill University, \$2500

Rosen, N. O. (PI) & Knäuper, B.

Intolerance of Uncertainty and Intolerance of Ambiguity: Can These Theoretical Constructs be Distinguished by Future- versus Present-Orientation?

2004-2005 Internal SSHRC Grant Program, McGill University, \$4000

Knäuper, B., **Rosen, N. O. (co-PI)**, & Mozessohn, L.

Psychological factors affecting knowledge of STI transmissibility in sexual health professionals.

- **Rosen, N. O.**, Knäuper, B., Sammut, J. & Wu, Y. (March 2005). Women's Health Behaviours During HPV Screening for Cervical Cancer: Do Individual Differences in

Tolerance for Uncertainty Predict Monitoring? Presentation given at the Psychosocial Oncology Research Day. Montreal, Quebec.

- **Rosen, N. O.**, Knäuper, B., Mozessohn, L. & Ho, M. H. (January 2005). The impact of issue salience on transmissibility estimates of HIV and Chlamydia: Results from a national survey. Poster presented at the annual meeting of the Society for Personality and Social Psychology. New Orleans, Louisiana.
- **Rosen, N. O.**, Knäuper, B., Mozessohn, L. & Ho, M. H. (November 2004). Psychological factors affecting knowledge of STI transmissibility in sexual health professionals. Poster presented at the annual meeting of the Society for the Scientific Study of Sexuality. Orlando, Florida.
- **Rosen, N. O.**, Knäuper, B., Mozessohn, L. & Ho, M. H. (October 2004). Health professionals' knowledge of the transmissibility of HIV and Chlamydia: Results from a nationally representative survey. Paper presented at the annual Canadian Sex Research Forum, Fredericton, New Brunswick.
- Johnston, L. D., Fabrigar, L. R., Wegener, D. T., & **Rosen, N. O.** (February 2003). The moderating role of elaboration in majority-minority influence in group decision-making. Poster presented at the annual meeting of the Society for Personality and Social Psychology Conference. Los Angeles, California.

Invited Talks

- **Rosen, N. O.** (April 2012). Female Sexual Dysfunctions. Continuing Medical Education, Community Hospital Program. North Sydney, Nova Scotia.
- Delisle, I., & **Rosen, N. O.** (October 2011). Management of vulvodynia: Clinical and research updates. Department of Obstetrics and Gynaecology Grand Rounds, IWK Health Centre. Halifax, Nova Scotia.
- **Rosen, N. O.** (June 2010). Assessing and supporting readiness for behaviour change. Capital Health Professional Conference: Capital Health's Strategy for Obesity Management, QEII Health Sciences Centre. Halifax, Nova Scotia.
- **Rosen, N. O.** (May 2010). Vulvodynia: A biopsychosocial approach to treatment and research. Department of Obstetrics and Gynaecology Grand Rounds, IWK Health Centre. Halifax, Nova Scotia.
- **Rosen, N. O.** (March 2010). Vulvodynia: A biopsychosocial approach to treatment and research. Pain Management Unit Rounds, QEII Health Sciences Centre. Halifax, Nova Scotia.
- **Rosen, N. O.** (May 2009). When sex hurts: Biopsychosocial characteristics and treatments of provoked vestibulodynia. Continuing education series in the Department of Psychology, QEII Health Sciences Centre. Halifax, Nova Scotia.

- DiDio, L. & Rosen, N. O. (February 2006). The psychosocial impact of HPV testing in Canadian women screened for cervical cancer. Department of Epidemiology, McGill University. Montreal, Quebec.

MEDIA INTERVIEWS AND PRESS RELEASES

- Press release and interview: “Romantic partner may play role in reducing vulvovaginal pain” with Université de Montréal news (published September 9, 2010; reprinted by sciencedaily.com; Passeportsante.net; physorg.com; medicalnewstoday.com; newstrackindia.com; virtualmedicalcentre.com).
- Online article and interview: “Guys who are too caring may hurt sex partners with uncommon condition” with myhealthnewsdaily.com (published September 10, 2010)
- Press release: “Recent research suggests that an intolerance of uncertainty may actually be good for your health!” with American Psychosomatic Society (published March 8, 2007).
- Newspaper article: « Transmission de VIH: le personnel soignant est mal informé sur les risques » with L’Actualité Médicale, 27(6), (published February 15, 2006).
- Radio interview with 940 Montreal on the article “Factors Affecting Knowledge of STI Transmissibility in Health Providers: Results from a National Survey” (aired December 4, 2005).
- Newspaper article: « Des médecins surestiment les risques de transmission » with La Presse (published December 2, 2005).
- Press release: “Study shows MDs, health workers misinformed about probability of contracting sexually transmitted infections” with McGill newswire (published November 28, 2005).
- Press release and interview: “Few doctors accurately estimate HIV, Chlamydia transmission rates” with Reuters Health (published November 25, 2005; reprinted by Urotoday.com).

TEACHING, CO-SUPERVISION, AND REVIEWER EXPERIENCE

Courses at Department of Psychology, Dalhousie University, Halifax, NS

- Psyo 3225: Health Psychology
- Psyo 6204.3: Cognitive, Affective and Behavioural Bases of Intervention: A Lifespan Perspective

Instructor for Graduate Seminar, PSYO 6809.03, Department of Psychology, Dalhousie University, Halifax, NS

- Sexual Disorders: Etiology, Assessment and Treatment

- September 2010 to December 2010

Instructor for PSYC 4829, Department of Psychology, St. Mary's University, Halifax, NS

- Advanced Topics in Human Sexuality
- January 2010 to April 2010

Teaching Assistantships, Department of Psychology, McGill University, Halifax, NS

- Health Psychology (4th year level)
 - Jan. 2005 – April 2005
 - Jan. 2004 – April 2004
 - Responsibilities included guest lectures, leading monthly tutorials of 15 to 25 students, grading essays and exams.
- Human Sexuality and its Problems (4th year level)
 - Sept. 2004 – Dec. 2004
 - Responsibilities included leading monthly tutorials of 15 to 25 students, grading essays and exams.
 - Course grading in the subsequent three years (2005 – 2007)
- Statistics for Experimental Design (2nd year level)
 - Sept. 2003 – Dec. 2003
 - Responsibilities included grading exams, preparing and conducting twice weekly tutorials.

Co-supervision of Undergraduate Honors Students (with Dr. Bärbel Knäuper)

- Sept. 2007 – April 2008
 - Ruby Knafo – Pursued a Master's degree in Psychiatry at McGill University
- Sept. 2006 – April 2007
 - Lior Miller – Pursued a Master's degree in International Health Promotion at the London School of Economics
- Sept. 2005 – April 2006
 - Gabrielle Pagé – Currently a graduate student in Clinical Psychology at York University
- Sept. 2004 – April 2005
 - Jessica Sammut – Pursued a Master's degree in Health Promotion at University of Toronto

Peer-Review Journals

- Reviewer, *Journal of Sexual Medicine*
- Reviewer, *Sexual and Relationship Therapy*

External Reviewer for Thesis Defence

- Aug. 2010
 - MSc. Thesis of Kip Grasse in the Department of Community Health and Epidemiology, Dalhousie University

CLINICAL EXPERIENCE

- Oct. 2010 – *Psychologist, Department of Obstetrics and Gynecology, IWK Health Centre, Halifax, NS*
- Conduct a cognitive-behavioural pain management and sex therapy group program for women with dyspareunia
 - 1.5 hr/week for 10 weeks
 - Consultant to staff physicians
- Jan. 2010 – Jan. 2011 *Psychologist (Candidate Register), CDHA Obesity and Weight Loss Management Team, QEII Health Sciences Centre, Halifax, NS*
- One day a week clinical work
 - Involved in developing psychology role in delivering Partners for Healthier Weight program with multidisciplinary team
 - Conduct multidisciplinary assessments for bariatric weight loss surgery
 - Deliver psycho-educational, motivational, and cognitive-behavioral therapeutic interventions to groups and individuals
 - Board registration supervisor: Michael Vallis, Ph.D.
- Sept. 2008 – Aug. 2009 *Psychology Intern, Queen Elizabeth II Health Sciences Centre, Halifax*
- CPA/APA accredited pre-doctoral internship
 - Mental health rotations in eating disorders, family medicine (depression, anxiety, grief)
 - Health psychology rotations in oncology, HIV, internal medicine, obesity
 - Conducted comprehensive, diagnostic intake interviews
 - Provided individual (in-patient and out-patient) psychotherapy using a primarily cognitive-behavioural (CBT) approach
 - Co-facilitated group therapies for individuals with eating disorders including behavioural change, motivational enhancement, dialectical behaviour therapy, and psychotherapy process groups
 - Attended multidisciplinary Rounds for relevant rotations
 - Supervisors (all hold Ph.D.'s): Jennifer Hendrick, Janice Howes, Yvette Scattolon, Cheryl Aubie, Steven Jefferson, Michael Vallis

Psychology Practicum Experience

- Sept. 2004 – Aug. 2008 *Sex and Couple Therapy Services, Allen Memorial Institute, Royal Victoria Hospital, Montreal*
- Provided individual, couple, and group therapies to adults for range of problems including provoked vestibulodynia, anorgasmia, erectile dysfunction, relationship difficulties, low sexual desire, low self-esteem, communication skills deficit, anxiety
 - Attended multidisciplinary weekly Rounds

- Supervisors (all hold Ph.D.'s): Phyllis Amato, Corrine Guttman, Sophie Bergeron

- Sept. 2006 – Aug. 2007 *Herzl Family Practice Centre, Jewish General Hospital, Montreal*
 - Provided individual cognitive-behavioural psychotherapy to adolescents dealing with depression, self-mutilation, history of sexual abuse, lack of social skills, parent-child conflict, panic attacks, bereavement
 - Supervisor: Perry Adler, Ph.D.

- May 2004 – May 2006 *Obsessive-Compulsive Disorder Clinic, Allen Memorial Institute, Royal Victoria Hospital, Montreal*
 - Provided individual cognitive-behavioural and exposure and response prevention psychotherapy to adults
 - Supervisor: Debbie Sookman, Ph.D.

- May 2004 – Sept. 2004 *Cognitive-Behavior Therapy Clinic, Allen Memorial Institute, Royal Victoria Hospital, Montreal*
 - Provided individual cognitive-behavioural psychotherapy to adult with panic disorder
 - Phobia aid for exposures with individuals in Panic Disorder group therapy
 - Supervisor: Ian Bradley, Ph.D.

- Sept. 2003 – Sept. 2004 *Assessment courses and full-time summer practicum, Montreal*
 - Allen Memorial Institute, Royal Victoria Hospital
 - Montreal Children's Hospital
 - Experience with wide range of neuropsychological, personality, and cognitive assessment measures with adults and children
 - Supervisors: Ian Bradley, Ph.D., Judith LeGallais, Ph.D.

MEMBERSHIPS in Professional Organizations

- Society for the Sex Therapy and Research (SSTAR)
- International Society for the Study of Women's Sexual Health (ISSWSH)
- International Academy of Sex Research (IASR)
- Student Representative (2004-2006) and Member (2006-present), Canadian Sex Research Forum (CSRF)
- Canadian Psychological Association (CPA)

ADMINISTRATIVE EXPERIENCE

- Chair (2012 -) Vulvodynia Program, IWK Health Centre
- Member (2008-2009), Clinical Psychology Training Committee, Queen Elizabeth II Health Science Centre

- Member (2008-2009), Conference Program Planning Committee, Canadian Sex Research Forum
- Student member (2007-2008), Psychology Graduate Studies Committee, McGill University
