THE MEDICAL REGISTER of the Province of Nova Scotia

The Medical Register of the Province of Nova Scotia is published annually by the Provincial Medical Board of Nova Scotia

The end of the Registration year is June 30th, and information should reach the Registrar prior to this date for inclusion in the new Register.

Registrants are asked to notify the Registrar of any change of address or errors in listing names.

All communications should be addressed to:

DR. M. R. MACDONALD, REGISTRAR
THE PROVINCIAL MEDICAL BOARD OF NOVA SCOTIA
VICTORIA GENERAL HOSPITAL
HALIFAX, N. S.

Notice To Drug Supply Houses And Others Using This Register

There are a total of six (6) lists of physicians' names in this Register. Unless otherwise notified, these physicians are all in good standing.

Periodically (usually every three months) a copy of a list of names added to the Register, together with a list of the changes of address occurring, is mailed to all interested companies, organizations, etc. If you are not receiving this, you should notify the Registrar.

When the "Additions and Corrections List" is received the appropriate changes should be made in the listings in the Register.

The purpose of this notice is to attempt to reduce the number of inquiries the Registrar receives for information which is already contained in the Register. Your co-operation in this regard is requested.
