THE MEDICAL REGISTER

of the Province of Nova Scotia

The Medical Register of the Province of Nova Scotia is published annually by the Provincial Medical Board of Nova Scotia

The end of the Registration year is December 31st, and information should reach the Registrar prior to this date for inclusion in the new Register.

Registrants are asked to notify the Registrar of any change of address or errors in listing names.

All communications should be addressed to:

DR. M. R. MACDONALD, REGISTRAR
THE PROVINCIAL MEDICAL BOARD OF NOVA SCOTIA
SIR CHARLES TUPPER MEDICAL BUILDING
UNIVERSITY AVENUE, HALIFAX, N. S.

Notice To Drug Supply Houses And Others

Using This Register

There are a total of five (5) lists of physicians' names in this Register. Unless otherwise notified, these physicians are all in good standing.

Periodically (usually every month) a copy of a list of names added to the Register, together with a list of the changes of address occurring, is mailed to all interested companies, organizations, etc. If you are not receiving this, you should notify the Registrar.

When the "Additions and Corrections List" is received the appropriate changes should be made in the listings in the Register.

The purpose of this notice is to attempt to reduce the number of inquiries the Registrar receives for information which is already contained in the Register. Your co-operation in this regard is requested.

ANNUAL LICENSING FEE

An Annual Licensing Fee for doctors registered with the Provincial Medical Board of Nova Scotia has been levied in accordance with Section 24 and Section 25 of the Medical Act 1969.

These Sections are printed here for information:

"24 (1) Every duly qualified medical practitioner shall pay to the Registrar or to such other person as he nominates an annual licensing fee as is determined by the Board.

(2) The annual licensing fee is payable on or before the first day of January in the year for which the same is imposed. Not later than the fifteenth day of December in each year the Registrar shall send notice to each member of the amount and due date of the annual fee for the succeeding year. The notice shall include a copy of this Section.

(3) If a member has not paid his annual fee on or before the first day of February in any year the Registrar shall forthwith send to the member a further notice in the same form by registered post.

(4) Every member shall, upon payment of the annual fee, obtain a certificate under the seal of the Board and the signature of the Registrar or a facsimile of the seal and the signature that he is a duly qualified medical practitioner.

(5) The annual fee shall be paid by every qualified medical practitioner whether he is resident in the Province or not, provided that the Board may fix special fees for non-practising and non-resident members.

"25 (1) A member who fails to pay his annual fee on or before the last day of February ceases to be in good standing and ipso facto thereupon stands suspended as a qualified medical practitioner until:

- (A) He pays all annual fees in arrears;
- (B) He pays a penalty of Ten dollars; and
- (C) He, if required, passes whatever examination the Board may prescribe;

and notwithstanding the foregoing, the Registrar may, subject to appeal to the Board, refuse to remove the suspension against the name of any person who he believes has been guilty of conduct for which, had he not been under suspension, his registration could have been suspended as a qualified medical practitioner.

(2) The Registrar shall forthwith notify in writing any person who has been suspended as a qualified medical practitioner under this Section.

(3) The annual fee is a debt due by the member to the Board."

THE SCHEDULE OF LICENSING FEES IS AVAILABLE ON APPLICATION TO THE REGISTRAR.
