

APPENDIX 2: DESCRIPTION OF DIGITAL FILES INCLUDED ON CD-ROM

The attached CD-ROM contains the entire thesis including all text, figures, appendices, and animation files. The files can be accessed using a web browser using the file `ings_thesis.html`. This file contains links to the each chapter in Portable Document Format (PDF) which requires the Adobe Acrobat reader to open (version 4.0 or higher).

On the CD-ROM, the animation files are listed under Appendix 2. The file names are the model names used in the test. The animation files associated with Chapter 2 are in GIF format and can be opened in any web browser. The animation files associated with Chapters 3 and 4 are in QuickTime format (.MOV) and require the QuickTime reader to open (version 5.0 or higher). A copy of this information is included in the file `readme.txt` on the CD-ROM.
