## 113 YEARS

The Halifax Chronicle has been closely linked with the history of Nova Scotia for 113 years. It is one of the most quoted newspapers in Canada, and is the only paper of the Maritimes of which that impartial authority, the Encyclopedia Britannica, says it is "of national reputation and wide political influence."

Adhering always to a sound, sane editorial policy it has won and enjoys the confidence of all sections of the people to a marked degree.

The Halifax Daily Star, established in 1873, is associated with the Chronicle as an afternoon paper. These two, in combination, provide an excellent coverage of the entire province.

## EATON Made - to - Measure CLOTHES

There's a story behind the outstanding success and popularity of EATON Made-to-Measure Clothes... a story of intelligent styling, careful buying and selection of materials, as well as painstaking workmanship.

But it takes more than this to make EATON Made-to-Measure Clothes the success they are... it requires the taking of individual measurements by experienced fitters... skillful hand-cutting of fabrics... expert shaping, padding and pressing that is designed to assure a full measure of satisfaction.

Many discriminating men... to whom Style is important... have come to rely upon EATON Made-to-Measure Clothes, because they get the type of casual comfort (along with smart styling) which they demand, and still pay only a modest price for their clothes!

A wide selection of fine imported and domestic woollens in plain shades and patterned suitings. Many rich tones.

# IT'S DONE

## JUST LIKE THAT!

Dispatching business matters is only a matter of seconds —when it's done by Long Distance Telephone. If you use Station-to-Station Service it's even quicker...and the cost is far less.

Of particular interest to business men is the savings that can be effected by using Station-to-Station Service. By asking for a telephone number instead of specifying a certain person, you can often effect savings up to 40 per cent. The average saving per call is approximately 25 per cent.

The economy of Station-to-Station Service is making it possible for business men to make wider and better use of Long Distance than ever before. Your Long Distance operator will gladly provide you with any information you want about this speedy, money-saving service.

The word **ACCIDENT** is defined in the Oxford dictionary as a happening that is unforeseen, unexpected, or chance. Here is a list of a few of the accidents (picked at random) which occurred in Canada in August.

Montreal, Que., Aug. 27—During a fire, which occurred in his shoeshine parlor while he was cleaning a hat, Rene Wilson was badly burned about the hands and face.

Charlottetown, P. E. I., Aug. 21—Tumbling 30 feet from a third-storey hotel window, Dolph Dorion was fatally injured.

Brandon, Man., Aug. 20—Mrs. A. B. Knowlton had her left eye so severely hurt when it was struck by a golf ball that removal was necessary.

Kenora, Ont., Aug. 26—Constable Terry W. Higgins is suffering from poisoning in his arm from a bite on the hand by a large spider.

Sturgis, Sask., Aug. 17—Tossed several times by a bull, Nick Toma had his arm broken, his chest crushed and ribs smashed before he was able to get clear of the animal.

Rosseau, Ont., Aug. 14—Postmaster H. F. C. Jones suffered a burn on his arm and was momentarily blinded when a letter which contained toy caps exploded as he was stamping it.

New Westminster, B. C., Aug. 17—W. Williamson, Surrey, was run down by his own car and suffered injuries to his legs, when it suddenly started as he lay beneath, making adjustments.

Winnipeg, Man., Aug. 18—When part of a fire-escape at J. L. Morton & Co.'s plant fell, two workmen suffered head and back injuries. They were sitting beneath it eating their lunch.

Innisfail, Alta., Aug. 17—Frank Carpenter was fatally burned when he became victim of a strange accident. As he lit his pipe while mixing weed killer, powder from the chemical on his clothing was ignited.

If accidents are pure chance does it not follow that anyone of us may be the next victim. We cannot prevent the accident, but by means of our accident insurance policies we can prevent you suffering heavy financial loss. You can get a good accident policy for \$25 a year and upwards. Just phone or write us.

# You Buy Roads, Too!

**W**HEN you buy gasoline, you also buy roads over which to drive your car.

Approximately one-fifth to one-third of the price you pay goes directly to your Provincial Government in road tax.

Twelve years ago there was no gasoline tax. Today the tax ranges from six to eight cents per gallon. And yet the cost of gasoline to you is no more because during those twelve years the price of gasoline has been steadily reduced.

Imperial Oil played a leading part in the developments that made lower prices possible. But lower prices were not achieved at the expense of labor. Imperial Oil employees have always been well paid. They work under ideal conditions. They have sickness and death benefits and pensions plans to protect them and their dependents. Five thousand of them are part owners of the Company.

They are given every incentive to work efficiently and happily. The result has been better gasoline at lower and lower prices.
