The Answer is Part of the Message

Telephoning is personal communication. It is only to be compared with going there yourself. You can talk things over by Telephone, and the answer is part of the message.

Whether your call is to a point within Nova Scotia, or to almost any place outside, your message—and the answer—will go from and to you with equal speed and satisfaction. And the cost is surprisingly low. Telephone service in Nova Scotia, both Local and Long Distance, is not surpassed anywhere in Canada.

Into Pay Envelopes are tucked food, clothing and shelter—protection and health for the worker. And for the manufacturer and other producers a Canadian home market.

It takes large sums of cash to fill pay envelopes.

One of the functions of modern banking is to provide funds to meet pay rolls, to finance the purchase of raw materials, the marketing of goods, etc.

We invite the inquiries of industry for financial accommodation.

- Furniture and home furnishings may be purchased on special BUDGET CLUB terms—10% down, balance in 10 equal monthly amounts, plus a small service charge.

Who Should Administer Your Estate?

Your choice of an executor lies between an individual and a trust company. Your decision in this all-important matter may greatly affect the benefits received by your heirs from your property. Capable estate management requires specialized knowledge and experience possessed only by specialists in the work.

When you name a Trust Company as executor or trustee, you employ sound business management, well grounded knowledge of investments or real property, up-to-the-minute information on provincial and federal tax requirements. Few individuals are so prepared by training and experience...and none can give the concentrated, permanent attention that is necessary in the interests of your beneficiaries.

To estate management we bring the rich experience, integrity and mature judgment gained in forty-six years of trust service. Start the New Year right by employing our aid and making Your Will. We should welcome the opportunity to assist you.

113 YEARS

The Halifax Chronicle has been closely linked with the history of Nova Scotia for 113 years. It is one of the most quoted newspapers in Canada, and is the only paper of the Maritimes of which that impartial authority, the Encyclopedia Britannica, says it is "of national reputation and wide political influence."

Adhering always to a sound, sane editorial policy it has won and enjoys the confidence of all sections of the people to a marked degree.

The Halifax Daily Star, established in 1873, is associated with the Chronicle as an afternoon paper. These two, in combination, provide an excellent coverage of the entire province.
