DEMOCRACY and a Free Press!

*Democracy is rule by the people . . .
 To survive it must be ruled by responsible people . . .
 People who THINK before they act . . .
 People who read before they think!
 The purpose of a free press is to give the people
 the facts to think with . . .*

TODAY'S way of living means making decisions everyday. You have to decide what to eat for supper . . . what clothes to buy . . . what college to send your children to . . . how to invest your money safely . . . thousands of decisions big and small. You make up your mind freely. This is democracy.

You can't do anything freely unless your press is free to print the facts. And unless you read these facts once they are printed you are not in a position to think and act freely.

Nor can a free press live without an alert, active citizenry behind it. The Halifax Herald and The Halifax Mail are doing a yeoman job to help protect the things that really matter in our way of life while it changes to meet changing times. These papers cannot do the job alone unless YOU, as responsible citizens, read your paper thoroughly of the important issues of the day—every day . . . and act. The price of freedom is eternal vigilance.

Make it your daily habit to read . . .

THE HALIFAX HERALD and THE HALIFAX MAIL

Greater circulation than ALL Nova Scotian dailies combined.
Over 65,000 papers daily

Thrift **BUILDS SHIPS!**

Where does the money come from to wage this War—to build the ships, the planes and tanks we need to "finish the job?"

Much of it comes from the savings of ordinary men and women—the thrifty people of Canada—the savers. These are the people who buy Victory Bonds and War Savings Certificates, who pay their War Taxes on the nail. Never before has personal thrift been so vitally necessary. Watch your spending. Every dollar you can spare is needed now to arm and equip our fighting forces—to win this War.

Does YOUR WILL Provide ... Or Merely Divide?

Naturally the purpose of Your Will is to provide for your dependents. But possible changes in their requirements, and in your property, may have made Your Will obsolete. Instead of providing, it may merely divide. You owe it to your loved ones to keep Your Will up to date with respect to their requirements. Fully as important is the appointment of an able, experienced executor. We offer freely our wide knowledge of estate management, and would welcome your call at any of our branch offices.

113 YEARS

The Halifax Chronicle has been closely linked with the history of Nova Scotia for 113 years. It is one of the most quoted newspapers in Canada, and is the only paper of the Maritimes of which that impartial authority, the Encyclopedia Britannica, says it is "of national reputation and wide political influence."

Adhering always to a sound, sane editorial policy it has won and enjoys the confidence of all sections of the people to a marked degree.

The Halifax Daily Star, established in 1873, is associated with the Chronicle as an afternoon paper. These two, in combination, provide an excellent coverage of the entire province.

Holiday in

Nova Scotia

In Nova Scotia the autumn is regarded by many as the finest time of the year. The maples lend a glorious coloring to the landscape and there is a tang in the air that revives the most jaded appetite.

Drive the length of Nova Scotia on the new paved highways. Go to Cape Breton and enjoy the spectacular Cabot Trail which girdles the Cape Breton National Park on three sides. This fine 185-mile motorway is memorable for its magnificent views of rugged hills, of beautiful valleys, lakes and seaside villages.

Remember, too, that Nova Scotia offers excellent accommodation at moderate rates, and home-grown autumn fruits add to the delicious fare served at all the leading hotels.

Let us help you plan your autumn tour.
