
This Year Plan to Holiday

in

Nova Scotia

WHEN your vacation period is not long, you wish to make the most of it. Therefore we suggest that you visit Nova Scotia. Its climate and holiday facilities offer recreation and relaxation to suit any age. Its accommodations are varied enough to suit any taste or pocket-book.

Come in May when the trout and salmon are challenging all comers to battle . . . in June, when the apple blossoms have scented the entire Annapolis Valley . . . in July when you can enjoy exhilarating sea bathing . . . in August when the fruits are ripe and the most jaded appetites are revived. Or come in the autumn when the hardwoods parade their finest colors. Remember there are paved highways leading the length and breadth of the Province, good bus and train services.

Salute to the Navy!

Out on the ocean high-ways, where lurk the enemies of freedom, men of keen eye and steady hand steer the ships that guard the road to Britain. Behind them the tradition of glorious achievement, before them the dawn of a new day of human liberty.
