

biography

an interdisciplinary quarterly

- **biography** is the first and only scholarly quarterly in the world solely devoted to the neglected study of life-writing.
- **biography** is a central forum for all serious writers about biography: biographers, students of literature, librarians, psychologists, historians, and social scientists.
- **biography** is a central forum for all serious readers of biography and all those who think humans in the human condition are important.

What Do They Say About biography?

"We should give a warm welcome to *Biography*. . . . Certainly we can do with such a magazine."
P. N. Furbank, *TLS*

"Those who read biography and certainly those who write it will welcome this unique quarterly. . . .
Biography . . . is a must for those involved in life-writing." Jane Barnard, *Serials Review*

"*Biography* . . . should be congratulated for . . . creative initiative and contribution to this study area . . . this valuable periodical . . . is recommended for academic and larger public libraries."
Lubomyr R. Wynar, *American Reference Book Annual 1979*
