

JESSE P. FERGUSON

To Do:

1. Let grasses grow where toes join.
2. Roll in it, letting ants in at ears.
3. Make hair inviting to midges  
and/or mosquitoes.
4. Don't fight river, as it reclaims lungs.
5. a) Float.  
b) Sink.
6. Feed crayfish, etc. (Be delicious)
7. Become seaweed.
8. Wash in against any shore,  
sprouting weeds and grain  
from eyes and mouth.
