

ALTHOUGH Nova Scotia has always held the proud distinction of being the birthplace of Canadian citizenship, she has had her ups and downs economically.

But she has fought valiantly for a well deserved comeback and has won it. More people are now living in Nova Scotia than ever before in her history . . . in their hearts the spirit of enterprise and optimism prevails.

Nova Scotia's industries are taking advantage of Newfoundland's status as the fourth Maritime Province and have first access to the enlarged Maritime market of over \$650,000 annually. You're invited to join them! Write us for full particulars on Nova Scotia's potentialities.
