P.G.Wells and D.H.S. Richardson – Editorial	1
A. W. McCulloch Sir John William Dawson: A Profile of a Nova Scotian Scientist	3
J. W. N. Steenberg and P.N. Duinker Post-hurricane coniferous regeneration in Point Pleasant Park	26
J. A. Poissant and H. G. Broders Differentiation of two <i>Myotis</i> species (Chiroptera: Vespertilionidae) at Hayes Cave, Nova Scotia, based on echolocation call characteristics.....	55
Zoe N Lucas and Lisa J Natanson Two shark species involved in predation on seals at Sable Island, Nova Scotia, Canada	64
NSIS Student Science Awards 2009-2010 Prize Winning Papers	89
G. R. G. Hutton Understanding influence of scientific information in the digital age: a study of the grey literature of a United Nations advisory group.....	91
B. Langer The Middle Ground. Why we can't save nature for nature?.....	102

Cont'd on next page

The Proceedings of the Nova Scotian Institute of Science are supported in part by a grant from the Department of Tourism Culture and Heritage, Government of Nova Scotia, with the support of the Nova Scotia Museum. Publication of articles, principally but not exclusively in the area of natural and engineering science, will be considered as well as papers emanating from studies in the health professions. Both regular issues and special issues devoted to topics of current Nova Scotian or Maritime interest are published.

Editorial Board

Peter G. Wells (Dalhousie University)	Editor
David H.S. Richardson (Saint Mary's University)	Associate Editor
Sarah Stevenson (Dalhousie University)	Production Editor
Gail LeBlanc	Layout and Production
Saint Mary's University	Printing
Roby Austin (Saint Mary's University).....	Physics
Nola Etkin (UPEI)	Chemistry
Mike Dadswell (Acadia University)	Aquatic Ecology, Fisheries, Tidal Power
David Garbary (St. Francis Xavier University)	Plant Biology
Bruce Hatcher (Cape Breton University)	Marine science
Martha Jones (Cape Breton University)	Estuarine ecology, Invasive Species
Andrew Hamilton-Wright (Mount Allison University)	Artificial Intelligence
Eric Mills (Dalhousie University)	History of Science
Brian Petrie (BIO-DFO)	Oceanography
David W Piper (BIO-NR).....	Geology
Martin Willison (Dalhousie University)	Conservation Ecology

Manuscripts should be submitted electronically to the editor (nsis@dal.ca). Membership of the NSIS is open to all those interested in Science and subscription details can be found on the Nova Scotian Institute of Science website <http://www.chebucto.ns.ca/Science/NSIS>. Members of the NSIS are not required to pay page charges but others are currently charged \$25 per page to help defray the cost of publication <http://www.chebucto.ns.ca/Science/NSIS/index-new.html>
