(AR03:P:8507 (01 ARC 154N), Gelatin silver print. Millar Studio, Montreal, before June 1927. Collection Centre Canadien d'Architecture/Canadian Centre for Architecture, Montreal) See page 5.

The Society for the Study of Architecture in Canada is a learned society devoted to the examination of the role of the built environment in Canadian society. Its membership includes structural and landscape architects, architectural historians, urban historians and planners, sociologists, folklorists, and specialists in such fields as heritage conservation and landscape history. Founded in 1974, the Society is currently the sole national society whose focus of interest is Canada's built environment in all of its manifestations.
