GRADUATION IN ARTS—B. A. DEGREE.

GRADUATION IN LITERATURE — B. LIT. DEGREE.

Undergraduates presenting themselves for examination for this degree, are required to produce satisfactory certificates of attendance and conduct during the whole of the three years' course. The certificates must be signed by the various Professors whose courses of Lectures they have attended, and no undergraduate is allowed to present himself at any degree examination unless he has complied with the above regulations; or, in case they have not attended the whole course at King's College, they are required to produce similar certificates from the University which they have attended.

The examination is carried on mainly by written questions and answers, but the Examiners at all times have the power of examining *vivâ voce*.

A Public Examination for Degrees is held towards the end of Michaelmas and Easter Terms. Students are not permitted to offer themselves for this before their ninth term of residence, except those who intend to offer themselves for Honours, who may be examined in the Ordinary Degree subjects in their seventh term. In such case, the student must pass an examination in the honour subjects chosen by him before being admitted to a degree.

Every candidate for a Degree must give notice in writing, to the President of the University, of his intention to present himself for

examination, such notice to contain a list of subjects prepared, and to be sent not later than twenty-one days previous to the date published in the Calendar for the holding of Degree Examinations.

of the Alumni,Held in the College Hall, Windsor, on Wednesday, June 22nd, 1898,
at 10.30 a. m.

Dr. Trenaman, President, in the chair.

Prayers by Ven. Archdeacon Brigstocke.

The minutes of last annual meeting, 16th June, 1897, were read
and approved.The minute book of the Board of Governors and Statements of the
College Finances were laid on the table.

Proxies were handed in, examined, and found correct.

The following were duly proposed and elected members of the
Association :—Rev. J. T. Bryan, Charlottetown, P. E. I. ; J. W. Y. Smith, Monc-
ton, N. B. ; Robert Hewson, Moncton, N. B. ; Simeon Armstrong,
Rothsay, N. B.John J. Power, B. C. L., Halifax, and Rev. Allan P. Shatford,
B. A., Bridgewater, were enrolled under No. 15 of Rules passed at
different times.The Report of the Executive Committee (including the Treasurer's
account) was submitted, considered clause by clause, slightly amended,
and adopted as follows :—

REPORT OF THE EXECUTIVE COMMITTEE.

1. There have been few events of importance in connection with
the College, to mark the course of the past year.

RESIGNATION OF PROFESSOR BUTLER.

2. The Governors received with regret the resignation of Pro-
fessor W. R. Butler, M. Eng., who for 17 years held the professor-
ship of Mathematics and Engineering, which he only resigned to accept
an appointment at the Royal Military College, Kingston. Professor
Butler served the College loyally and faithfully, and the successful
character of his work is evidenced by those who received their train-
ing under him.

APPOINTMENT OF PROFESSOR WEATHERBE.

3. The vacancy caused by Professor Butler's retirement was promptly filled by the Governors by the appointment of Mr. Karl Weatherbe, B. A., B. Sc., C. E., a graduate of the College, and of the Massachusetts Institute of Technology, who has had several years of varied experience in practical engineering, and is well qualified to carry on the work. It is a matter of satisfaction that a graduate of King's College should have been selected for a position of such importance.

COLLEGE FINANCES.

4. There is little to report concerning the financial condition of the College. The insufficiency of salary attached to the professorship of English Literature is a matter which may at any time give rise to serious difficulty; and the debt upon the Collegiate School is still unpaid.

LIFE ASSURANCE AND ENDOWMENT.

5. The Endowment Scheme submitted by Rev. Dr. Bowman a year ago has been under consideration by the Governors, but with no result further than the authorization of a scheme of Life Insurance for the benefit of the College, which has been undertaken by the North American Life Assurance Co., through their general agent, Mr. G. E. Lavers, Halifax.

COLLEGIATE SCHOOL.

6. The Collegiate School opened in September last under the new management, with a smaller number of pupils than before, as was expected under the circumstances, but in other respects it has been highly satisfactory. Mr. F. T. Handsombody, B. A., of Trinity College, Dublin, who was selected in England by the Bishop out of several applicants for the position, has proved himself a thoroughly efficient and painstaking Head Master, and there is good reason to hope that the coming year will see a substantial increase in the number of boys in attendance.

CHURCH SCHOOL FOR GIRLS.

7. The Church School for Girls, under the new Lady Principal, Miss Lefroy, late of Cheltenham Ladies' College, has done excellent work during the year, and, as far as its relations to this College are concerned, is more promising than ever before. A scheme for "Local Examinations" in connection with King's College, modelled upon the "Oxford and Cambridge Locals," has been drawn up and will be published in the College Calendar, and it will be the definite aim of the School to prepare as many girls as possible for these examinations. The College Board has recommended, and doubtless the Governors will adopt the recommendation, that the Junior Examination be accepted for Matriculation, and the Senior for entrance into the second year.

SCHOOL OF LAW.

8. The School of Law, at St. John, N. B., is doing successful work and is gaining for itself a good reputation. It is a matter for consideration whether the time has not now come when this School should relieve the College of the amount annually contributed to its support, and thus leave the Governors free to devote all their income to the necessities of the College. It may be noted in this connection that, while the parishes of Nova Scotia and Prince Edward Island, by their annual collections contribute each year the sum of \$500 or thereabout, there is no provision made for such collections in the Province of New Brunswick, which, in addition to a free share in all the other privileges of the University, enjoys the special benefit of the Law School.

TREASURER'S ACCOUNT.

9. The Treasurer's account, duly audited, and showing a balance in hand on current account of \$72.33, and investments amounting to \$5,921.33, is submitted herewith.

VACANCIES BY ROTATION.

10. Under Sec. 3, Cap. 66, Acts of 1853, Hon. Senator Almon and Mr. Clarence H. Dimock retire from the Board of Governors, and it devolves on this meeting to fill the vacancies.

The President of the Alumni, accompanied by Rev. V. E. Harris, Rev. H. H. Pittman, and Mr. Charles Hensley, of the Executive Committee, go out of office under By-law IV. These vacancies are now to be filled.

It also devolves on the meeting to "nominate" five members of the Executive Committee of the Board of Governors under the provisions of sub-section (b) Section I, of the Constitution of that Committee.

NECROLOGY.

11. Your Committee regret to note the death during the year of the following members of the University:

REV. THOMAS HOWLAND WHITE,— Matriculated, 1823; B. A., 1827; B. D., 1886; D. D., 1886.

REV. ARTHUR CHAS. FITZGERALD WOOD,— Matriculated, 1860; B. A., 1864; M. A., 1868.

Halifax, 21st May, 1898.

R. J. WILSON,
Treasurer of Alumni, K. C. W.

In accordance with notice given to the Executive Committee, Rev. H. H. Pittman moved—

That the Alumni recommend the Board of Governors to amend the regulation regarding "students from other colleges," by inserting the words "having first passed Responsions" before "may obtain the degree of B. A."

After a long discussion the motion was lost, and the following subsequently adopted :—

That a committee consisting of His Lordship the Bishop, Rev. Canon Vroom, Rev. H. H. Pittman, Rev. Dr. Bowman, and Rev. Dr. Bullock, be appointed to consider and report at next annual meeting of the Alumni, upon the relation of King's College to the Theological colleges, as mentioned on p. 24 of the Calendar for 1897-98.

Vacancies on the Board of Governors were filled by the election of Messrs Charles S. Wilcox, M. P. P., and William L. Payzant, in place of Hon. Senator Almon and Mr. Clarence H. Dimock, respectively, who retire under Sec. 3, Cap. 66, Acts of 1853.

Rev. Canon Vroom was re-elected Vice-President of the Alumni for the ensuing two years.

Vacancies on the Executive Committee of the Alumni, made by the retirement under By-law IV, of Rev. V. E. Harris, Rev. H. H. Pittman, and Mr. Charles Hensley, were filled by the election of Messrs. W. Bruce Almon and Maynard Bowman, and the re-election of Mr. Charles Hensley.

Rev. Dr. Bowman, Rev. Canon Vroom, Messrs. C. S. Wilcox, R. J. Wilson, and A. des B. Tremaine, were "nominated" by ballot as members of the Executive Committee of the Board of Governors.

Money votes were passed as follows :

The Governors,—towards the salary of the Professor of Modern Languages	\$300 00
The Secretary, for the past year.....	60 00

It was resolved,—

That the Board of Governors be requested to communicate with the Bishop of Fredericton, asking His Lordship to bring before the Synod of Fredericton the advisability of providing for an annual collection in each parish or mission for King's College, as is done in the diocese of Nova Scotia.

Thanks were voted to the D. A. R. and I. C. R. for concessions in railway fares.

Adjourned at 4.15 p. m.

By-Laws of the Alumni of King's College, Windsor.

Passed at a General Meeting held at the Halifax Hotel, June 27, 1848.

I. Besides the Annual General Meeting of the Incorporated Society, it shall be competent for the Committee at any time, either of their own accord, or upon a requisition signed by at least ten of the members of the Association, upon giving seven days' notice in the public papers, to call a Special General Meeting of the Association, specifying the purpose for which it is called, and in which meeting it shall be competent for the Association to transact any such business as may be required. Ten members shall be deemed a quorum for the transaction of business.

II. That the books, accounts, and papers of the Association shall be open at all times for the inspection of members, and the Secretary shall furnish an account of the affairs of the Association whenever required by the Committee.

III. That the Treasurer and Secretary, and such officers as shall be requisite for the incorporated Society, shall be annually appointed by the Executive Committee.

IV. That at the Annual Meeting of the Association, the President and Vice-President shall alternately go out of office accompanied by the first three of the Committee, and that all or any of them having a majority of votes shall be eligible to be re-elected.

SERGEANT CUNNINGHAM.
Formerly Chief Instructor, Military Gymnasium, Halifax.

The School is pleasantly situated about three-quarters of a mile from the town of Windsor. It has good and ample recreation grounds, with a well equipped Gymnasium, in charge of a skilled professional instructor, play room, cottage infirmary, etc. The building is heated throughout by hot water, and lighted by electric light, as are also the gymnasium and play room.

The School provides a good general education, and pupils are prepared for Matriculation at King's College and other Universities, for the entrance examination, Royal Military College, Kingston, Ontario, for the Army and Navy, and for commercial pursuits. The school is carried on under the general management of the Rector, who was formerly, for twelve years, Head Master.

Pupils who are members of the Church of England attend the Sunday services in the college chapel; those belonging to other denominations may, at the request of their parents, attend the services and the Sunday-School of the denominations to which they belong, and the minister of the church will be requested to furnish a certificate of regular attendance at the end of each term.

Careful attention is given to moral training and religious instruction.

Brief reports of boys' progress and conduct are sent home at the end of each month, and detailed reports at the end of each term.

Pupils are required to pay strict observance to the rules and regulations of the School.
