

Forthcoming Events

2004

- May 4–6
Tel Aviv, Israel
Bio-Tech Israel 2004 Conference
<http://www.kenes.com/biotech>
- May 10–12
Bordeaux, France
6th Meeting of the French Society of Microbiology
Contact: SFM Secretariat, 28 rue du Dr. Roux
75724 Paris, Cedex 15, France
- June 7–9
Clermont-Ferrand
France
4th INRA-RRI Symposium on Gut Microbiology
<http://www.fems-microbiology.org>
- June 21–27
Bergen, Norway
6th International Conference on Toxic Cyanobacteria
<http://www.fems-microbiology.org>
- July 24–27
Toulouse, France
6th European Nitrogen Fixation Conference
Contact: ENFC6 Organizing Committee
LIPM, UMR CNRS-INRA 2594/441, BP 27
31326 Castanet-Tolosan, Cedex, France
Email. nitfix@toulouse.inra.fr
- August 1–4
Durham, NH, USA
13th Symposium on *Frankia* and Actinorhizal Plants
Contact: Dr. L.S. Tisa, Dept. of Microbiology
Univ. of New Hampshire, Durham, NH 03824, USA
Email. LST@hypatia.unh.edu
- August 16–21
Tartu, Estonia
5th IAL Symposium: Lichens in Focus
Contact: IAL5 Secretariat, University of Tartu
Fax. +372-7-376222
Email. ial5@ut.ee, <http://www.ut.ee/ial5>
- August 21–26
Heron Island
Australia
3rd International *Wolbachia* Conference
<http://www.wolbachia.sols.uq.edu.au>
- August 22–27
Cancun, Mexico
10th International Society for Microbial Ecology
Congress
<http://www.kenes.com/isme/>
- August 24–29
Ste. Adele, Quebec
Canada
VIIIth Cyanobacterial Workshop
Contact: Robert L. Burnap, Organizer
Email. burnap@biochem.okstate.edu

- August 29 –
September 3
Montreal, Canada
13th International Congress of Photosynthesis
Contact: Congress Secretariat, Opus3 Inc.
<http://www.uqtr.ca/ps2004>
- September 4–8
Ljubljana, Slovenia
Halophiles 2004
<http://www.fems-microbiology.org>
- September 5–11
Belgrade, Serbia
XI OPTIMA Meeting (Organization for the Phyto
Taxonomic Investigation of the Mediterranean Area)
Contact: O. Vasic, Natural History Museum
Tel. +381-11-3442147, Fax. +381-11-3442265
Email. oljav@beotel.yu
- September 12–17
Munich, Germany
International Congress on Rhizosphere
<http://www.gsf.de/iboe/congress>
- September 15–17
Dublin, Ireland
Acinetobacter 2004
<http://www.fems-microbiology.org>
- October 13–15
Grenoble, France
Nanoscale European Conference II
Contact: conforg@veeco.fr, Fax. +33-1-64592712
<http://www.veeco.com/seeingatthenanoscale>
- October 28 –
November 1
Beijing, P.R. China
14th International Congress on Nitrogen Fixation
Contact: Mr. Yiping Wang, Organizing Committee,
Email. wangyp@pku.edu.cn, <http://www.n2fix.com>
- November 11–14
Algarve, Portugal
Conference on Recombinant Protein Production:
A Comparative View on Host Physiology
<http://www.fems-microbiology.org>

2005

- July 18–23
Vienna, Austria
XVII International Botanical Congress
<http://www.abc2005.ac.at>
