MEMORIES OF THE ROCKIN' FIFTIES

#5

Who remembers the Skyway Drive-In?
(A bygone passion pit on Highway 2,
a mile east of the airport.)
Only Judy B., that I know of, and me.

Once upon a long time ago
I took Judy there in my father's car
to see *The Cool and the Crazy*
illuminating the summer night sky.

I parked in the back row.
So many cars with no heads sticking up.
We didn't watch much of the movie.
I lost my virginity there.
