IN MEMORIAM

Lynn Glencross

It is with much sadness that we share the news with the Dalhousie community of the sudden passing of our colleague Lynn Glencross (47 years old) on March 8, 2012 while on business in Ottawa. Lynn joined the Office of External Relations in October 2011 as the Development Officer for the Faculty of Management. Lynn was formerly from Antigonish, a graduate from St. Francis Xavier University in 1985, and was currently residing in Grand Lake, Halifax County.

Lynn was instrumental in organizing the Connective Tissue Clinic for Ehlers-Danlos Syndrome and had learned of successful funding for this disease on the day of her passing. Lynn was a dedicated mother to Lily Ann Johnson and Jack Johnson. Funeral services have taken place in Antigonish.

Memorial donations may be made to Canadian Ehlers-Danlos Association.
