In Memoriam - Angela McGibbon

The Faculty of Medicine extends deepest sympathy and condolences to the family, friends, and colleagues of Dr. Angela McGibbon, who passed away from a sudden illness on Sunday.

Dr. McGibbon was a graduate of Dalhousie's medical school. Graduating with her medical degree in 1998, she specialized in internal medicine in 2001, then an Endocrinology subspecialty in 2003. She stayed at Dalhousie since then and held a faculty position within the Division of Endocrinology & Metabolism (Department of Medicine).

Angie will be greatly missed by those within the medical school whose hearts she's touched.
