

MEDICAL SOCIETY OF NOVA SCOTIA.

Volume 1. Bulletin 1.

Halifax, N.S.
Jan. 2, 1922.

Dear Doctor:-

As you are aware, a very considerable amount of work looking to the better organization of the Medical Profession in Nova Scotia, was done during the past year by Mr. A.D.Cameron. This work was so successfully done that it was felt it could be carried on successfully now by a member of the Medical Profession.

The Organization Committee, acting on the authority given it by the Medical Society, at its Annual Meeting in Truro, September 25th, 1921, has now engaged Dr. Smith L.Walker, who was in general practice in Truro from 1890 until going Overseas in 1925, to act as Associate Secretary. The Committee is assured that the Medical Profession in the Province will cordially endorse

this appointment and will assist in every way in the further work of organization.

LIFE INSURANCE EXAMINATIONS.

Dear Doctor:-

The question of Examination Fee for Life Insurance was dealt with at the Annual Meeting of the Nova Scotia Medical Society. The Valley Medical Society presented through Dr. J.A.Sponagle of Middleton, a Resolution. This Resolution had the following Recommendation:-

"No examination for Life Insurance less than \$5.00 and that the N.S.Society take action along this line and Practitioners throughout the Province be notified by Circular or otherwise."

The Committee on Insurance who had this Resolution under consideration made the following Recommendation:-

"That this Society approve and support the Resolution of the Valley Medical Society in conformity with report from Special Committee of Medical Society of Nova Scotia, dealing with this matter."

The adoption of this recommendation was moved by Dr. Johnstone, Sydney, and seconded by Dr. M.E. Armstrong.

It was moved as an amendment by Dr. Egan, Sydney, seconded by Dr. A.E.G. Forbes, that examination for Insurance ~~xx~~ for the Old Line Companies be \$5.00 after January 1st, 1922, and that the Profession be circularized to this effect. Carried.

It was moved by Dr. Egan, seconded by Dr. Sullivan, that the Committee of this Society on Insurance be retained, that they communicate with the Insurance Companies and report at the next Annual Meeting. Carried.

The Committee is as follows:-

(These names are not available)

Will you take a personal interest in this matter and pledge yourself to adhere to the Spirit of these Resolutions, and use your influence to have the same become speedily effective. This can only be done, as you know, by close cooperation.

Will you also have this matter brought up for discussion at the first meeting of the Medical Society to which you belong.

Soliciting your hearty cooperation.

Yours truly,

S.L.Walker,

Associate-Secretary.
