

INDEX VOL. XV.

(Roman numerals refer to the Proceedings, Arabic numerals to the pages of Transactions.)

	PAGE
Abandoned marine sand-bar in the Cornwallis Valley, N. S. By F. C. Churchill	65
Accidental occurrence of Pygmy Sperm Whale (<i>Kogia breviceps</i>) on coast of Nova Scotia: an extension of its known range; with remarks on the probability of former presence in these waters of the True Sperm Whale (<i>Physetis microcephalus</i>). By H. Piers.	95
Analysis, exact gas, convenient form of burette for. By Dr. H. J. M. Creighton.	115
Annual Meetings. 1918, i; 1919, xxi; 1920, xxix; 1921, xxxv	xxxv
Antigonish, N. S., spring bird migration of 1914 at. By H. F. Lewis	119
Ants (<i>Formicidae</i>), list of small collection of, obtained in Queen's Co., N. S., by late Walter H. Prest. By H. Piers.	169
Barbour, Major J. H. Scattered notes of a botanist in Brittany, France. (Title only)	xxiii
Black and Gaspereau Rivers, Kings Co., N. S., change in drainage of. By F. C. Churchill.	141
Blue Crab (<i>Callinectes sapidus</i>), extension of its range northward to near Halifax, N. S. By H. Piers.	83
Bowman, Maynard, obituary notice of. By H. Piers.	xviii
Burette, convenient form of, for exact gas analysis. By Dr. H. J. Creighton.	115
<i>Callinectes sapidus</i> , Blue Crab: extension of its range northward to near Halifax, N. S. By H. Piers.	83
Cameron, Prof. John, M.D., D.Sc. Craniometric study of Micmac skull in Provincial Museum of N. S. Illustrated.	1
Demonstration of a racial map of the world, founded upon a new craniometric method. (Title only)	vi
Our present knowledge regarding the ancestry of man. (Title only)	xxxv
Physical characters of the Eskimo skull. (Title only)	xxxviii
Skull of fossil man recently unearthed in South Africa, and its bearing on the ancestry of man. (Title only)	xxxix
Civilization and culture of Ancient Egypt. (Title only)	xxxii
Contribution to the ethnology and craniology of Eskimos of Southampton Island, Hudson Bay. (Title only)	xxvi
Campbell, Dr. Donald A., reference to death of	xxi
Campbell, Dr. George Murray, reference to death of	xxxv
Change in drainage of Black and Gaspereau Rivers, Kings Co., N. S. By F. C. Churchill	141
Churchill, Frederick C. Abandoned mine sand-bar in Cornwallis Valley, N. S.	65
Effects of glaciation in vicinity of Wolfville, N. S.	161
Evidence of elevation of sea coast as shown by fossil deltas near Wolfville, N. S.	137
Probable change in drainage of Black and Gaspereau Rivers, Kings Co., N. S.	141

	PAGE
Convenient form of burette of exact gas analysis. By Dr. H. J. M. Creighton	115
Cornwallis Valley, N. S., abandoned marine sand-bar in. By F. C. Churchill	65
Crab, Blue, (<i>C. sapidus</i>): extension of its range northward to near Halifax. By H. Piers	83
Craniometric study of Micmac skull in Provincial Museum of N. S. By Dr. J. Cameron	1
Creighton, Prof. Henry Jermain M., D.Sc. Convenient form of burette for exact gas analysis.	115
Method for making methyl violet.	57
Relation between fluidity and temperature of liquids.	165
Variation in composition of compressed illuminating gas with pressure as it issues from the compression cylinder	91
Dawson, Prof. James A., Ph.D. Modern aspects of heredity. Popular lecture. (Title only)	xxxix
Some problems in protozoology. Popular lecture. (Title only)	xxxiii
Deltas, fossil, near Wolfville, N. S., and elevation of sea coast. By F. C. Churchill	137
Diatoms of Nova Scotia. By Dr. A. H. MacKay	175
Drainage of Black and Gaspereau Rivers, King's Co., probable change in. By F. C. Churchill	141
Effects of glaciation in vicinity of Wolfville, N. S. By F. C. Churchill	161
Election of officers. 1918-19, iii; 1919-20, xxii; 1920-21, xxx; 1921-22,	xxxvi
Elevation of sea coast as shown by fossil deltas near Wolfville, N. S. By F. C. Churchill	137
Eskar excavation in Nova Scotia (Middlefield). By W. H. Prest	33
Evidence of elevation of sea coast as shown by fossil deltas near Wolfville, N. S. By F. C. Churchill	137
Excavation of an eskar at Middlefield, Nova Scotia. By W. H. Prest	33
Feldspar, orthoclase, extract of potash from. By E. F. Whyte	145
Fluidity and temperature of liquids, relationship between. By Dr. H. J. M. Creighton	165
<i>Formicidae</i> (Ants), list of small collection of, obtained in Queens Co., N. S., by late Walter H. Prest. By H. Piers	169
Gas analysis, convenient form of burette for. By Dr. H. J. M. Creighton	115
Gas, compressed illuminating, variation in composition of, with pressure as it issues from compression cylinder. By Dr. H. J. M. Creighton	91
Gaspereau and Black Rivers, Kings Co., N. S., change in drainage of. By F. C. Churchill	141
German patents relating to dyes and other chemicals, resolution regarding	v
Glaciation, effects of, in vicinity of Wolfville, N. S. By F. C. Churchill	161
Gossip, William, ex-president, portrait of	iv
Grant from Government of Nova Scotia	xxxiv
Hardy, Major-Gen. Campbell, R. A. Micmac Indians, their habits, folklore and anecdotes. Extract from lecture. (Title only)	xxxii

	PAGE
Obituary sketch of Gen. Hardy, with portrait and list of writings. By H. Piers.....	vii
Resolution on death of.....	v
Harris, Prof. David Fraser, M.D., D.Sc. Descent of man in medicine. (Title only).....	xxv
Haycock, Prof. Ernest, obituary notice of. By H. Piers.....	xvii
Resolution on death of Prof. Haycock.....	ii
Illuminating gas, compressed, variation in composition of, with pressure as it issues from compression cylinder. By Dr. H. J. M. Creighton.....	91
Indian. <i>See</i> Micmac.	
Johnstone, Prof. John H. L., Ph.D. Artillery observation methods. (Title only).....	iv
The smallest things in nature: the atom, electron and proton. Popular lecture. (Title only).....	xxxviii
<i>Kogia breviceps</i> , Pygmy Sperm Whale, accidental occurrence on coast of Nova Scotia, an extension of its known range. By H. Piers.....	95
Laing, Rev. Robert, reference to death of.....	xxi
Letts, R. Mechanism of wireless telephone. Popular lecture. (Title only).....	xl
Lewis, Harrison F. Notes on spring bird migration of 1914 at Antigonish, N. S.....	119
Librarian's Report..... 1918, i; 1919, xxii; 1920, xxx; 1921, xxxvi	
Liquids, relation between fluidity and temperature of. By Dr. H. J. M. Creighton.....	165
List of small collection of ants (<i>Formicidae</i>) obtained in Queens Co., N. S., by late W. H. Prest. By H. Piers.....	169
McIntosh, Prof. Donald S. Port Hood Harbour: its past, present and probable future.....	71
MacKay, Alexander H., LL.D. Diatoms of Nova Scotia collected about thirty years ago by A. H. MacKay, and named and distributed in slides by Tempere and Peragallo of Paris, 1907-15.....	175
Obituary notice of Prof. E. MacKay, Ph.D.....	xxvii
Phenology of Nova Scotia..1918, 49; 1919, 129; 1290, 153; 1921, 189	
MacKay, Prof. Ebenezer, Ph.D., obituary notice of. With portrait. By Dr. A. H. MacKay.....	xxvii
Resolution of regret at death of Dr. E. MacKay.....	xxiv
Marine sand-bar in Cornwallis Valley, N. S. By F. C. Churchill..	65
Methyl violet, method for making. By Dr. H. J. M. Creighton..	57
Micmac skull in Provincial Museum, craniometric study of. By Dr. J. Cameron.....	1
Middlefield, Queens Co., N. S., eskar at. By W. H. Prest.....	33
Migration, bird, in spring of 1914 at Antigonish, N. S. By H. F. Lewis.....	119
"Nature," London, resolution relative to 50th anniversary of establishment of.....	xxv
Nicholls, Prof. Albert G., M.D., D.Sc. Insects as vectors of disease. Popular lecture. (Title only).....	xxxiii
The struggle for life. Popular lecture. (Title only).....	xxxvii
Nickerson, Prof. Carleton B. Colour Photography. Popular lecture. (Title only).....	xxxix

	PAGE
Nova Scotia, diatoms of, collected by A. H. MacKay and named and distributed as slides by Tempere and Peragallo of Paris, 1907-15. By Dr. A. H. MacKay.....	175
Nova Scotia, phenology of. By Dr. A. H. MacKay. 1918, 49; 1919, 129; 1920, 153; 1921,	189
Nova Scotia. <i>See also names of places in Nova Scotia.</i>	
Obituary notices. Bowman, Maynard; 1843-1918. By H. Piers. Hardy, Maj.-Gen. Campbell, R. A.; 1831-1919. With portrait and list of writings. By H. Piers.....	xviii vii
Haycock, Prof. Ernest; 1867-1918. By H. Piers.....	xvii
Mackay, Ex-president Prof. Ebenezer, PH.D.; 1864-1920. With portrait. By Dr. A. H. MacKay.....	xxvii
Prest, Walter Henry, geologist; 1856-1920. With list of writings. By H. Piers.....	xli
<i>See also resolutions of regret passed on deaths of</i> Campbell, Dr. D. A., xxi; Campbell, Dr. G. M., xxxv; Laing, Rev. Robert, xxi; Reid, Dr. A. P., xxix; Woodbury, Dr. Frank, xxxviii.	
Officers, election of. 1918-19, iii; 1919-20, xxii; 1920-21, xxx; 1921-22,	xxxvi
Orthoclase feldspar, extraction of potash from. By E. F. Whyte..	145
Periodical phenomena. <i>See</i> Phenology of Nova Scotia.	
Perkins, Prof. P. B., and York, H. H. Use of X and gamma rays in stimulation of fungi in soil. (Title only).....	vi
Phenology of Nova Scotia. By Dr. A. H. MacKay. For 1918, 49; 1919, 129; 1920, 153; 1921,	189
<i>Physeter macrocephalus</i> , True Sperm Whale, remarks on the probability of its former presence in Nova Scotian waters. By H. Piers.....	95
Piers, Harry. Accidental occurrence of Pygmy Sperm Whale (<i>Kogia breviceps</i>), on coast of Nova Scotia: an extension of its known range; with remarks on the probability of the former presence in these waters of the True Sperm Whale (<i>Physeter macrocephalus</i>). With plate.....	95
Blue Crab (<i>Callinectes sapidus</i>): extension of its range northward to near Halifax, N. S.....	83
List of small collection of Ants (<i>Formicidae</i>) obtained in Queens Co., N. S., by late Walter H. Prest.....	169
Major-General Campbell Hardy, R. A., sportsman, naturalist, artist and author, 1831-1919. With portrait and list of writings.....	vii
Obituary notice of Maynard Bowman, 1843-1918.....	xviii
Obituary notice of Prof. Ernest Haycock, 1867-1918.....	xvii
Obituary notice of Walter Henry Prest, geologist, 1856-1920. With list of writings.....	xli
Popular lectures, committee on.....	xxxii
Popular lectures. <i>See under</i> Cameron, Dr. John; Dawson, Dr. J. A.; Johnstone, Dr. J. H. L.; Letts, R.; Nickerson, Prof. C. B.; and Nicholls, Dr. A. G.	
Port Hood Harbour, N. S., its past, present and probable future. With maps. By Prof. D. S. McIntosh.....	71
Potash, extraction of, from orthoclase feldspar, by carbon dioxide, and sulphur dioxide. By E. F. Whyte.....	145

INDEX

ix

	PAGE
Prest, Walter Henry. Eskar excavation in Nova Scotia. With plans.....	33
List of small collection of Ants (<i>Formicidae</i>) obtained in Queens Co., N. S., by late W. H. Prest. By H. Piers..	169
Obituary notice of W. H. Prest, geologist, 1856-1920. By H. Piers.....	xli
Resolution relative to death of W. H. Prest.....	xxxix
Provincial Science Library, committee to request government grant for.....	xxxvii
Publication of papers in Transactions, statement regarding the limitation of.....	xxix
Pygmy Sperm Whale (<i>Kogia breviceps</i>), accidental occurrence on coast of Nova Scotia; an extension of its known range. With plate. By H. Piers.....	95
Queens County, N. S., list of small collection of Ants (<i>Formicidae</i>) obtained in, by late W. H. Prest. By H. Piers.....	169
Reid, Dr. A. P., reference to death of.....	xxxix
Relation between fluidity and temperature of liquids. By Dr. H. J. M. Creighton.....	165
Report of Librarian.....1918, i; 1919, xxii; 1920, xxx; 1921, xxxvii	xxxvii
Report of Treasurer..... 1918, i; 1919, xxii; 1920, xxix; 1921, xxxvii	xxxvii
Ritchie, Dr. Stephen G. Diffusion experiments in gelatine; with introduction on colloids. (Title only).....	xxxviii
Dentition of Eskimo. (Title only).....	xxxviii
Sand-bar, abandoned marine, in Cornwallis Valley, N. S. By F. C. Churchill.....	65
Sea coast, evidence of elevation of, as shown by fossil deltas near Wolfville, N. S. By F. C. Churchill.....	137
Skull, Micmac, craniometric study of. By Dr. J. Cameron.....	1
Sperm Whales, <i>Kogia breviceps</i> and <i>Physeter macrocephalus</i> , accidental occurrence on coast of Nova Scotia. By H. Piers.....	95
Spring bird migration of 1914 at Antigonish, N. S. By H. F. Lewis.....	119
Treasurer's Report.....1918, i; 1919, xxii; 1920, xxix; 1921, xxxvii	xxxvii
Variation in composition of compressed illuminating gas with pressure as it issues from the compression cylinder. By Dr. H. J. M. Creighton.....	91
Vickery, Charles Alex. Effect of thermoluminescence on electrical conductivity. (Title only).....	xxxix
Violet, methyl, method of making. By Dr. H. J. M. Creighton...	57
Whale, Pygmy Sperm and True Sperm, <i>Kogia breviceps</i> and <i>Physeter macrocephalus</i> , accidental occurrence on coast of Nova Scotia. By H. Piers.....	95
Whyte, Earle Forrester. Extraction of potash from orthoclase feldspar by carbon dioxide and sulphur dioxide.....	145
Wolfville, N. S., effects of glaciation in vicinity of. By F. C. Churchill.....	161
Wolfville, N. S., fossil deltas near, and elevation of sea coast. By F. C. Churchill.....	137
Woodbury, Dr. Frank, resolution relative to death of.....	xxxviii
