

PSAC meeting June 22, 2009  
9:15 - 10:45 am  
Killam Library Room G62

As the last PSAC meeting of the year, this meeting will have a "roundtable" format, focusing on status updates and summer strategic projects for various public services.

The discussion will go around the table on the following:

- 1) Digital projects across the system - what's new?
- 2) Web 2.0 service enhancements - what's under development?
- 3) WorldCat Local, Verde and other "disruptive technologies" - how are the first internal and external customers responding?
- 4) In-person reference services and the physical reference desk - looking ahead to Fall 2009
