

BAY OF FUNDY BIBLIOGRAPHY: SUPPLEMENT II

The references included herein supplement the recent extensive bibliography, **Moyse, C.M.** 1978. Bay of Fundy Environmental and Tidal Power Bibliography. *Fish. Mar. Ser. Tech. Rep. No. 822*, and its first supplement, *Proc. N.S. Inst. Sci.* (1979), 29:313-314. The present citations were either omitted through oversight or have been published subsequently. All citations received are included, even internal reports that can be difficult to obtain.

This Supplement was prepared with the assistance of the members of the Fundy Environmental Studies Committee.

The Bay of Fundy bibliography will continue to be updated regularly. Any omissions or new references for inclusion should be sent to: **DR. D.C. GORDON, Marine Ecology Laboratory, Bedford Institute of Oceanography, P.O. Box 1006, Dartmouth, N.S. B2Y 4A2**, and reprints of the present supplement may be obtained by writing this address.

Les références ci-incluses constituent un supplément à la récente bibliographie d'envergure compilée par **C.M. Moyse**, [Bay of Fundy Environmental and Tidal Power Bibliography. *Fish. Mar. Ser. Tech. Rep. No. 822* (1978)] et à son premier supplément (*Proc. N.S. Inst. Sci.* (1979), 29: 313-314). Les citations qui suivent furent précédemment omises par mégarde ou n'ont été publiées que depuis la parution de la bibliographie et de son supplément. Toutes les citations reçues sont incluses dans le présent supplément, y compris certains rapports internes difficiles à obtenir.

Les membres du Fundy Environmental Studies Committee ont aidé à la rédaction du présent article.

La mise à jour de la bibliographie de la Baie de Fundy se poursuivra de façon régulière. Toute référence omise ou nouvelle devrait être envoyée pour inclusion dans un supplément futur à: **DR. D.C. GORDON, Marine Ecology Laboratory, Bedford Institute of Oceanography, P.O. Box 1006, Dartmouth, N.S. B2Y 4A2**. Des tirés-à-part de cette publication sont également disponibles à la même adresse.
