[1] In the paper “First directly retrieved global distribution of tropospheric column ozone from GOME: Comparison with the GEOS-CHEM model” by X. Liu et al. (*Journal of Geophysical Research*, *111*, D02308, doi:10.1029/2005JD006564, 2006), the Acknowledgments section did not properly acknowledge the data. The second sentence should be replaced by the following:

[2] We thank the MOZAIC team who provided the ozone measurements. The MOZAIC project is supported by the European Communities, EADS Airbus and the airlines Air France, Lufthansa, Austrian Airlines, and the former Sabena, who carry the MOZAIC instruments free of charge.
