The following clauses of the Medical Act (Chap. 23, Revised Statutes, 4th Series,) are here published for the information of the profession and the public:

8. Subject to the exceptions hereinafter made, no person shall practice physie, surgery or midwifery in Nova Scotia, unless his name shall be registered in the Book of Registry of the Provincial Medical Board, and unless he shall have received from such Board a license to practice.

16. Any person entitled to be registered under this chapter, but who shall neglect or omit to be so registered, shall not be entitled to any of the rights or privileges conferred by the provisions of this chapter, so long as such neglect or omission shall continue.

17. No person, otherwise fully qualified under this chapter, shall be refused registration or a license to practise on account of his adopting or refusing to adopt the practice of any particular theory of medicine or surgery. In case of such refusal by the Board, the party aggrieved shall have the right to appeal to the Governor in Council, who, upon due cause shown, shall issue an order to the Board to register the name of such person and to grant him a license to practice.

21. Every person who shall be registered under the provisions of this chapter, shall be entitled according to his qualification or qualifications to practise Medicine, Surgery, and Midwifery, or either or any of them, as the case may be, in Nova Scotia, and to demand and recover in any court of law reasonable charges for professional aid, advice and visits, and the cost of any medicine or other medical or surgical appliances rendered or supplied by him to his patients.

22. No person shall be entitled to recover any charge in any court of law for any medical or surgical advice or for attendance, or for the performance of any operation, or for any medicine which he shall have both prescribed and supplied, unless he shall prove upon the trial that he is registered under this chapter.

24. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service, or in any hospital or other charitable institution, unless he shall be registered under the provisions of this chapter.

25. No certificate required by any Act now in force, or that may hereafter be passed, from any physician or surgeon, or medical practitioner shall be valid, unless the person signing the same shall be registered under this chapter.

26. If any person not registered or licensed under the provisions of this chapter, or not being actually employed as a physician or surgeon in Her Majesty's naval or military service, practises Physic, Surgery or Midwifery for hire, gain, or hope of reward, he shall thereby forfeit a sum of twenty dollars for each day on which he so practises.

27. Any sum forfeited under the next preceding section shall be recoverable with costs, and may be sued for and recovered in the same manner as a private debt, by the Provincial Medical Board or any member thereof; and being recovered, shall belong to the Board for the use thereof under

this chapter. Provided that, where the information leading to such recovery shall have been given by any person unconnected with the medical profession, such person shall be entitled to receive one-half of the sum so recovered.
