Notice to Drug Supply Houses and Others Using This Register

Unless otherwise notified, all physicians listed in the Medical Register are in good
standing.

Periodically (usually every month) a copy of a list of names added to the Register,
together with a list of the changes of address occurring, is mailed to all interested
companies, organizations, etc. If you are not receiving this, you should notify the
Registrar.

When the "Additions and Corrections List" is received the appropriate changes
should be made in the listings in the Register.

The purpose of this notice is to attempt to reduce the number of inquiries the
Registrar receives for information which is already contained in the Register. Your co-
operation in this regard is requested.
