# Telephone Service

---

**O**F all the great inventions which have lifted modern life from the drudgery and inconvenience of other days, it is doubtful if any other single creation has become of such daily usefulness and necessity to the home, the office, and the workshop as the telephone!

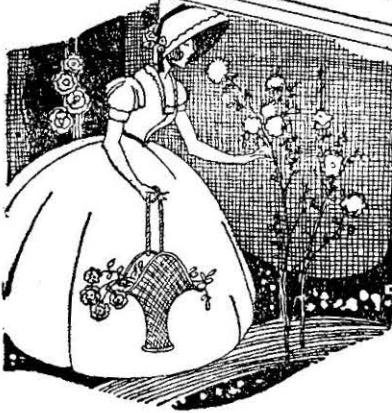

This miracle of the Telephone,—whose arteries link social and business life, city and country, province and nation,—may be defined in one word—**Service**—a quality which has placed the MARITIME TELEGRAPH & TELEPHONE COMPANY, LIMITED, in the foremost ranks to-day, with 44,677 telephones in Nova Scotia (13,525 in Halifax)...and Long Distance Lines reaching every city, town, village and hamlet in the Province...to enable subscribers from any telephone in Nova Scotia to connect with any other telephone on the continent...and carry on a satisfactory conversation.

Halifax can boast the first automatic telephone service in the East...a service which has also since been extended to the town of Kentville—the only community of its size in eastern Canada now enjoying this modern type of telephone service.

Every "Maritime" telephone is a Long Distance Station.

When youth buys diamonds it is mostly for engagement rings. To square their love of display with oft lean purse, the temptation for young folk may be to sacrifice perfection.

## A Good Living A Profitable Future A Provision for Old Age

THE Canada Life Assurance Company has a District in the Province of Ontario, offering these opportunities.

There is a certain man, with no Life Insurance experience, with whom we desire to get in touch; likely a very promising business man between twenty-five and forty-five years of age, who realizes the limitations across his path of opportunity, and whose abilities require greater outlook and earning capacity.

Such a man may want to make a move, but hesitates to "take a plunge."

There is a better way: The Canada Life will undertake to thoroughly educate him for the life insurance business, which has been growing and will grow as has no other business, a business which offers permanent success, does not fluctuate, is a professional occupation and has been truly named "The best paid hard work in the world."

This is done by close contact, a correspondence course and personal assistance, free of charge.

The first two booklets of the course will be sent to anyone interested. All correspondence strictly confidential.

Address

R. T. FAIRCLOTH,  
Manager, Eastern Ontario.

In far Peru—more than 4,000 miles from the station where you fill with Marvelube—Imperial Oil secures the rich petroleum from which this better motor oil inherits its lubricating superiorities.

To bring this better crude to Canada in Imperial's own ships and transform it by special processes into Marvelube is an undertaking which is possible only because of Imperial Oil's immense resources and facilities.

But Marvelube, a better oil because of the natural lubricating superiorities of its carbon-free, sulphur-free base, is well worth the huge effort and investment.

There is a grade of Marvelube refined to meet exactly the specifications of your car, truck or tractor. See the Marvelube Chart at Imperial Oil stations and dealers.
