...the Sun Life representative

Yes, as an expert to help plan your estate, the Sun Life representative can work closely with your lawyer, accountant and trust officer in providing you with the best possible advice. To preserve your assets, your estate will need dollars immediately available to meet death taxes and last illness expenses. Sun Life can provide such dollars.

For more than ninety years, Sun Life of Canada's representatives have provided security to untold numbers of men, women and children in time of need. With \$13½ billion of life insurance in force representing three million individual policies and group certificates, and with 150 branch offices in North America, Sun Life offers policy contracts that are modern and up-to-date in keeping with the changing times in which we live.
