## "If I had the time? . . . .

### *Why Wait for That?*

Many a business executive has been heard to remark, "One of these days, when I have the time, I'm going to get out a booklet", (or a folder, catalogue, or other form of printed matter, as the case may be). But time and inclination often prove illusive ingredients—and meanwhile an aid to selling that might be doing profitable work stays uncreated.

Busy executives can solve problems of this nature very readily—by utilizing "Imperial" service. For we have on our staff men experienced in planning and writing all forms of "printed salesmen". Their services are at all times available to our clients.

*Enquiries welcomed and printing estimates supplies. No Obligation.*

FAITH, REASON AND CIVILIZATION

By Harold J. Laski

One of the most original and provocative thinkers of to-day looks for a new faith to bring us out of chaos.

Laski draws the historical parallel between Christianity and the re-animating spirit that he finds to-day in Russia. A brilliant and challenging book. \$3.25.

CANADA AFTER THE WAR

Edited by Alexander Brady and F. R. Scott

A brilliant symposium by a panel of experts who discuss the Political, Social and Economic Policies for post-war Canada, presenting the many problems which must be faced and outlining their solutions to them. A basic book for every thinking Canadian. \$3.25.

TOMORROW ALWAYS COMES

By Vernon Bartlett

"This book is a rash attempt to write history before it has happened . . ." writes Mr. Bartlett in his arresting diary of the future. But history is already proving Mr. Bartlett right on many counts. If you want to be forewarned of what may happen between the Allied nations; at the Peace conference; in post-war Europe, read this book. It is a stimulating challenge and a grim warning. \$1.50.

# *Cheapest and Quickest*

## Station - to - Station Long Distance Calls

It's cheaper and faster to use Station-to-Station Service on your Long Distance Telephone calls. A Station-to-Station Call is one where you ask for a **telephone number**, and not for a particular person.

The saving through using this class of service amounts to as much as thirty per cent on calls during the day. One calls after seven p.m. the average saving is larger still. Besides, your call goes through much more quickly—usually while you hold the line.

Save yourself money and get quicker service by using Station-to-Station Service whenever possible. Remember it especially on Sundays, as Night Rates are effective all day then and your saving is still greater.

# HISTORY IS MOVING AT TERRIFIC SPEED

**T**HESSE days, headlines in The Halifax Herald and The Halifax Mail indicate how great is the progress of the United Nations. These headlines also help to buoy our hopes for an early Victory. Families with sons, brothers, father or husband fighting in Normandy, Italy or the Far East, in the air and on the seas are anxious for news of the war's progress. Every headline that flashes the report of another town captured or enemy planes shot down means minutes and even hours off the war's duration.

These papers . . . The Halifax Herald and The Halifax Mail . . . bring to you all the latest news in detail as quickly as is humanly and mechanically possible. With to-day's record circulation of more than 80,000 copies daily, we are doing all in our power to keep Nova Scotian homes informed of what is happening on all fronts all over the world. Read your guide to History in the making . . . READ

## A NATIONAL ELECTRICAL SERVICE

IN 1882, the Company which is now Northern Electric was started in Montreal. Today a chain of 22 branch warehouses across Canada exemplify the development of this National Electrical Service. Northern Electric maintains manufacturing, distributing and merchandising plants in scope, varied in character and always

equipped to meet the ever changing problems of tomorrow. Whatever equipment is required to generate, transform, distribute or use electricity for industrial, commercial, residential or any other purpose, it is available from any one of Northern Electric branches across this wide Dominion.

*Northern Electric*

**L**ET us all dedicate our full energies to Victory. "Speed the Victory" is more than a phrase to spur on the war effort. It is a hope and a prayer in the hearts of anxious mothers and fathers, sisters and brothers throughout the land, that their fighting sons will be home soon and well. Let us all spend less, save more and seek out new ways to broaden our personal war effort. No service, however small, is too small in war-time.

The men and women in our fighting forces long for "News from Home." Write to them often—and regularly—Keep your letters cheerful.
